READ TO ACHIEVE INITIATIVE

The "Read to Achieve" initiative is a literacy program started by the Alpha Phi Alpha Fraternity, Inc., in an effort to promote reading and literacy skills among elementary aged children. By working together with the local school districts, the men of Alpha donate custom reading chairs and a selection of books to individual classrooms and/or school libraries.

Schools and classrooms that receive the resources are selected randomly by the members of the fraternity. If a school or teacher is interested in receiving these donations, please e-mail us at nupsil1981@gmail.com with the subject matter: Read to Achieve.
